

I want to do book notes differently for this book because it was hard to select phrases and one-liners from a journal and essays. I decided to pick characteristics I saw throughout John Woolman's life.

Top ten:

1. Humble
2. Lived by his convictions
3. Truly wanted God's will to be done in his life
4. Tenderhearted for others
5. Cared for poor people
6. Remembered and celebrated God's goodness
7. Persevered and trusted God through trials
8. Man of prayer
9. Loved Jesus Christ
10. Frequently talked about God as Creator and the beauty of His creation
